Query handling process

Based on the your query our Medical Tourism Coordinator would get in touch with you to answer your preliminary queries and guide you further through the medical evaluation process.

Medical evaluation process

Based on the information sent by you, your medical condition would be evaluated by a panel of experienced Doctors.

A pre-procedure consultation would be arranged on the same day or next day with your doctor/surgeon to evaluate your physical condition.

Recommended treatment options

After completion of your medical evaluation by our medical specialists, the details of the recommended treatment options would be sent to you. You could seek further clarifications at this stage to take an informed decision.

Arrangement of finances

The Medical Tourism Coordinator will then prepare a quote for the customized medical travel package after taking relevant inputs from you regarding information about travel companions, preferences for hospitals, accommodation, etc.

Confirmation of Medical Travel Plan

Once you take a final decision about your medical travel plan, we will proceed with the provisional bookings of hospital room/surgeon, hotel/service apartment and other associated arrangements.

CONFIRMATION

No advance deposit or payments to Offshore Quality Medical Tourism Hospital partners before your arrival in India.

Arrival in India

Whilst you are preparing to leave for India the Medical Tourism Coordinator will be in touch with you to guide you on any aspect of your travel itinerary. On arrival you would be received by the Medical Tourism Coordinator, who had been coordinating with you till then and taken to your chosen accommodation.

Pre-procedure stage

A pre-procedure consultation would be arranged on the same day or next day with your doctor/surgeon to evaluate your physical condition.

Admission to Hospital

The Medical Tourism Coordinator would get all the documents ready and make the associated arrangements for your admission to the hospital.

Post-procedure recovery

When you move to your chosen accommodation after discharge from the hospital, the Medical Tourism Coordinator would arrange for nursing care and physiotherapy for your recovery and rehabilitation.

Back Home

After having recovered, rejuvenated and got recharged, you return back home to spread cheer and deep sense of relief amongst your loved ones.

We ensure you are well looked after, from your arrival till departure to your home land.
